STATEMENT UNDER 37 C.F.R. § 1.821

Commissioner for Patents
Washington, D.C. 20231

July 18, 2002

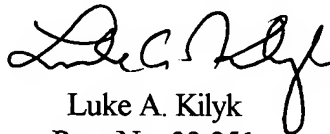

Sir:

The diskette enclosed herewith contains a computer readable form of the Sequence Listing for the above-referenced patent application. The information recorded in computer readable form on the diskette is identical to the written sequences contained in the application as filed. The computer readable form of the sequence listing contained on this diskette is understood to comply with the requirements of 37 C.F.R. § 1.821(f). Also enclosed is a computer print-out of the sequence listing. The Applicants note that an amendment, filed herewith, replaces the computer print out version of the sequence listing already a part of the present application. No new matter is being introduced by this submission and the accompanying amendment.
